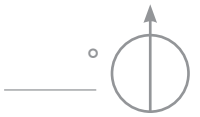
MAGNUM ENERGY

MAGNUM ENERGY MICROGT 500 AND MAGWEB GT
ARRAY INSTALLATION MAP

Sensata Technologies
SensataPower.com

This map shows the physical location of each Microinverter in your PV installation. Each Magnum Energy MicroGT500 has a removable serial number label located on its case. Peel off the label and affix it to your Magnum Energy installation map. Each sticker covers two module images.

JOB NAME: _____


MAGWEB GT SERIAL NUMBER: _____
